

HOW

TO CHOOSE THE RIGHT SHOE SIZE

?

1.

STAND UP AND PLACE YOUR
HEEL ON THE DOTTED LINE.

2.

KEEP YOU FEET FLAT, AND MARK ITS
EDGE WITH A PENCIL.

3.

IF YOU ARE BETWEEN TWO SIZES,
CHOOSE THE LARGER ONE.

4.

REFER TO THE GRIP ON THE PRODUCT
SHEET TO KNOW YOUR EXACT SIZE.

CAUTION, If this document is not printed properly, you might pick the wrong shoes size. Use a rubber to measure the scale below. If the measures do not correspond check the parameters of your printer. Pull back the margins to 0 cm, uncheck the options like adapt the image, check the A4 format (21 x 29.7 cm).
